## TECHNICAL INFORMATION

### Executive credenza

Available in 1800 mm wide (2 compartments) and 2700 mm wide (3 compartments)

Finish: black lacquered oak veneer

The interior of the executive credenza is also completely finished in black lacquered European oak veneer and stainless steel.

Possible compartment lay-out :

- open shelf in black high gloss lacquer
- open shelf in red high gloss lacquer
- pull-out filing frame
- bottom hinged door

A rectangular grommet in the top of the credenza is only available above the compartment with a bottom hinged door, at an upcharge. The grommet has a chrome frame with cover in black lacquered European oak veneer and a brush profile. The compartment with a bottom hinged door has a rectangular grommet with anthracite lacquered frame (without cover) in the bottom for cable guidance to the floor.

The pull-out filing drawer fits A4 size, letter size and legal size files and also houses a normal drawer.

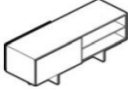

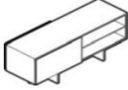

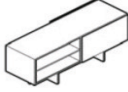

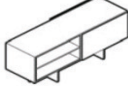

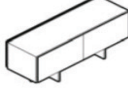

The open shelves are finished in a high gloss lacquer, either red or black, and are see-through.

The back of the executive credenza is also finished in black lacquered European oak veneer which allows freestanding use.

The plinth of the credenza is finished in 'mirrored' HPL.
