Hello, Bulo

Bulo is proud to present new furniture collections at Stockholm Furniture fair. Since 1963 the Belgian brand develops and manufactures furniture that enhances the quality of working and living in both the office and at home. Bulo offers a wide range of timeless and elegant collections created by renowned Belgian and international architects and designers such as Vincent Van Duysen, Gensler, Bataille-ibens and Léon Stynen. The furniture is durably manufactured and customised with skill and love for the profession in the in-house veneer studio.

VVD BISTRO

by Vincent Van Duysen

The VVD BISTRO Collection brings accessible, comfortable, modern and light designs. Created for homes, offices, and your favorite meeting spaces with colors that give it a domestic and welcoming character. The multi-functional collection has soft, ergonomic shapes that are made with durable finishes that can withstand the test of time.

H2O

by Bataille & ibens

H2O is a Bulo icon. A simple rectangular top on 4 cross-shaped legs. The table is multifunctional as work, meeting or dining table and fits in all interiors due to the wide range of finishes for both top and legs.

Dan

by Bulo Design

The name DAN refers to Japanese martial arts and means "level". It refers to the ladder system of this durable and multifunctional collection that offers a combination of solid wood with industrial-inspired details for your office and in your home.

Senses

by Nathalie Van Reeth

Senses resulted from a perfect storm of the interesting collaboration between designer, manufacturer, client and technology. Van Reeth's approach to create a more organic and humanistic environment to work in resulted in a perfect harmony of soft shapes, rich materials and cutting edge technology.
